CUPA-HR's Strategic Priorities

Learning and Professional Development Resources

Legislative and Regulatory Issues

Creating Inclusive Communities

Research, Analysis and Reporting Resources

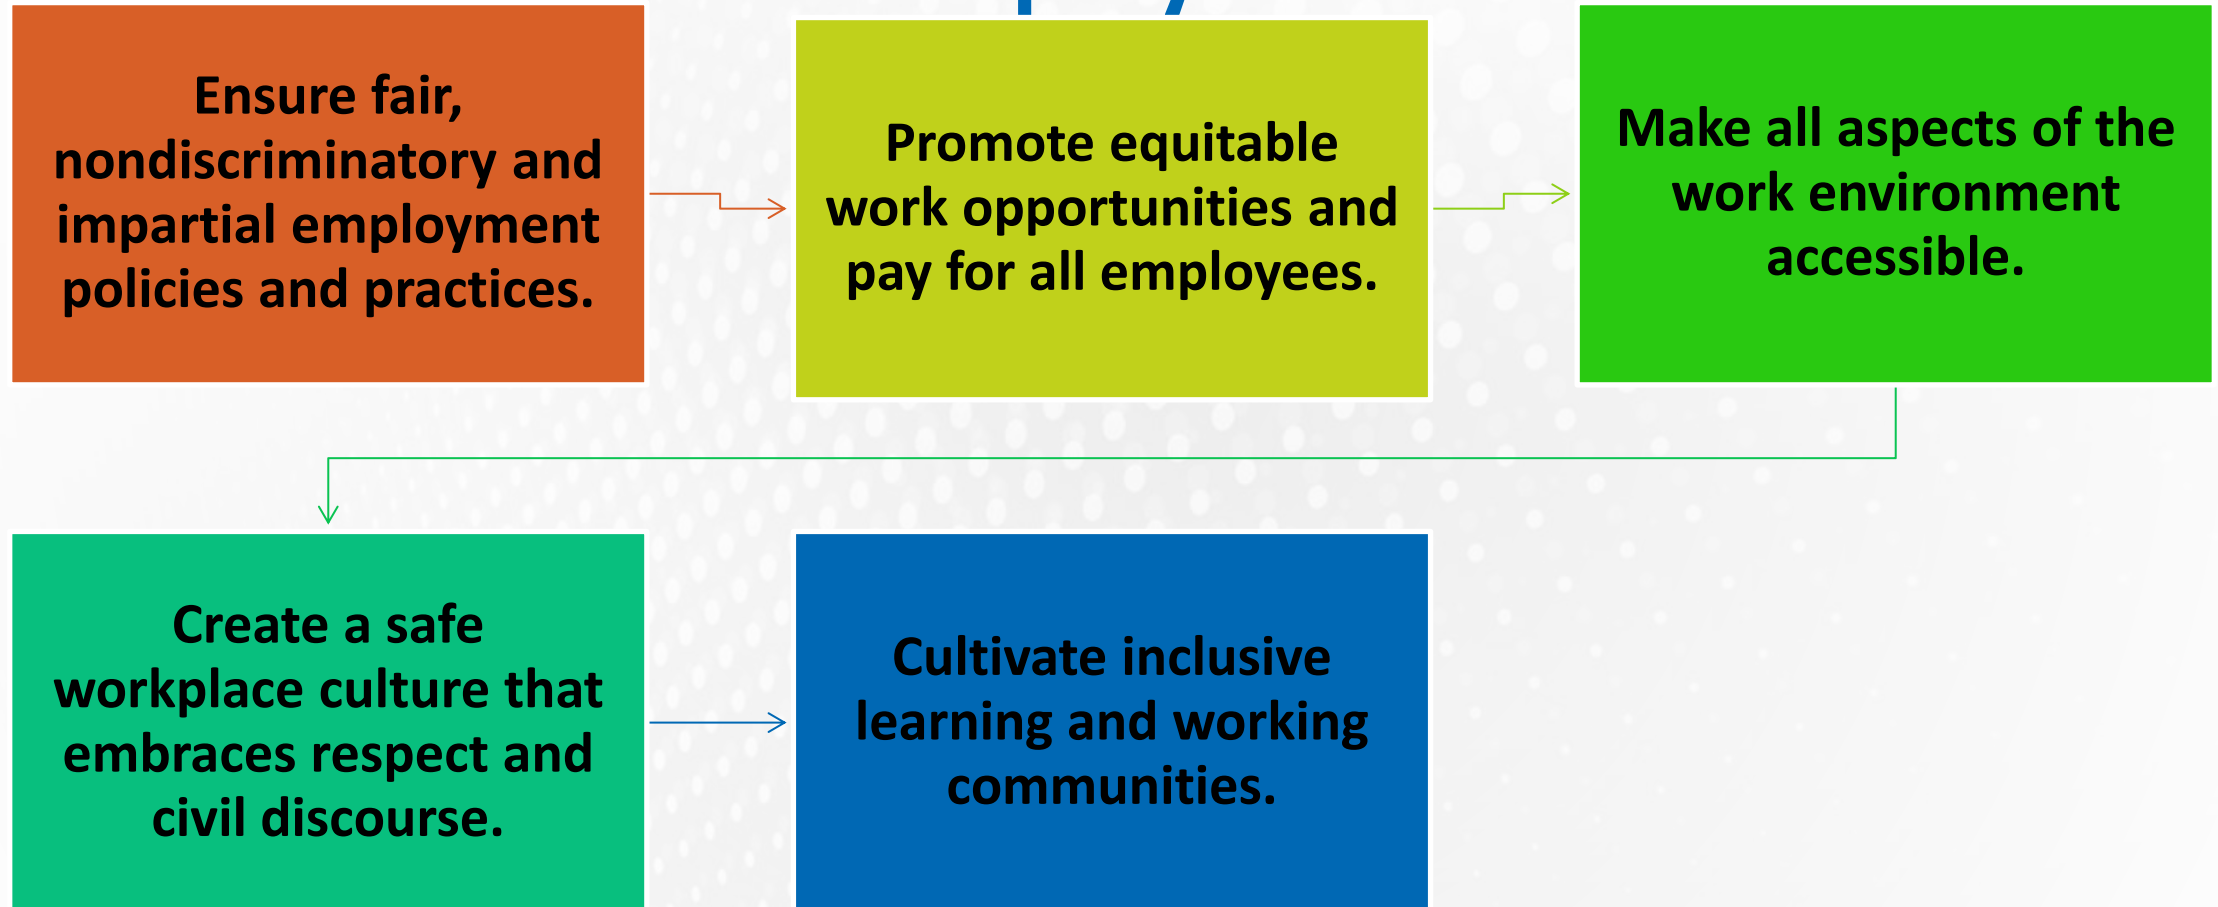

University Culture and Conflict: HR's Role in Creating an Inclusive University Community

What words come to mind when you think of an inclusive university community?

Our Work:

Supporting Access and Opportunity for All Employees

Why the Work is Important

- **Create an environment that benefits all employees and students.**
- **Ensure that hiring practices and promotions are fair and nondiscriminatory.**
- **Help all employees feel connected and supported.**

How We Demonstrate our Commitment to the Work

- Ensure fair, nondiscriminatory and impartial employment policies and practices
- Promote equitable work opportunities and pay for all employees
- Make all aspects of the work environment accessible
- Create a workplace culture that embraces respect and civil discourse
- Cultivate inclusive learning and working communities

HR's Role in Navigating Uncertainty: Importance of Resilience and Psychological Safety

Strengthening Internal Resilience

- Identify your **purpose and values**
- Work to gain **confidence**
- Seek **support** from your communities
- Strengthen your ability to be **adaptable**
- Determine where and when to **channel your energy**

**Why is it worth it to
persevere and get
through this challenging
time?**

Ensuring Psychological Safety

Evidence of Success

How will you know your
university has successfully
cultivated an inclusive
community?
